**I, as a team member, know that** solving Odyssey of the Mind problems is a great achievement, and that I am representing my team as well as my family, school and town. I am proud to be a part of the team and want to make everyone proud of my commitment and creative ideas.

**I will read** the rules in the *2015-16 Odyssey of the Mind Program Guide* and the rules for our chosen Long-Term problem, including clarifications. I am aware that the judges must enforce these rules and know that our solution will be all the better for reading the guide and the problem.

**I commit** to the team by promising to attend practice and competition.

**I refuse to accept** Outside Assistance or give it to other teams. This includes posting or viewing videos of solutions on video sharing web sites such as Youtube® until after World Finals as stated in the Program Guide.

**I will remain open** to accepting my teammate's ideas and know that teamwork and friendship is an essential part of Odyssey of the Mind.

**I will respect** my coach, the judges and other tournament officials and remember that they volunteer their time to provide me the opportunity to participate in Odyssey of the Mind.

**I believe** that I should be treated fairly, with respect and kindness, and I will treat all others in the same manner.

**I will not damage** school property, other teams' materials, or any property that is not my own. I understand that causing harm or damage to other people or their property will result in appropriate disciplinary action and fines.

**I will do my best** to make OotM a fun and memorable experience filled with the opportunity to meet new people from around the world and to have fun!
